
The Miracle Behind the Miracle

In my project I will create a collage of photos to give testimony to the memory of Herb Brooks and the 19

I am a creative and visual person, so right away these ideas just started rushing through my mind. I knew

While working on this project, I learned that Coach Herb Brooks was a teacher, he knew what it took to b

I have learned about trust and loyalty. The team had to have trust in Coach Brooks. The players had to t

The project has taught me much about the importance of communication between one person and another.
